Powerful. Personable. Professional.

Verl Thomas is a **compelling and consummate NYC Talent** with experience at the microphone, on the stage, in film, on camera and in print. When you take the **strength and discipline of a Marine** and combine that with the **experience and style of a world-wide traveler** you get a **storyteller who can bring any script or character to life** with a unique sensibility. He enjoys projecting a **voice** with a certain desired effect...Truly **loves** the challenge of a **compact performance** in a given time frame.

Directors and Producers instantly respond to the diversity in Verl's talent - his voice is **powerful yet smooth**, his style is **laid back yet professional** and his dedication to getting the **work done authentically** is undeniable.

Career highlights for Verl Thomas include on airtime at the **legendary WNEW in NYC**, casting in the **John Sayles classic film "The Brother from Another Planet"**, dozens of children's book narrations, on camera work for **MSG Cable** and series work for **The Discovery Channel**.

Verl's booming voice is ideal for Radio/TV Imaging and Promo work – he's happy to provide custom auditions by request at Verl's Voice.
